GMD PENG MENDOZA

THE SAME PERSON

Before. **After.**

BEFORE

AFTER

I was not the best.

What changed my life was following...

A system and a mentor.

//

The greatest reward wasn't my success.

**It was seeing ordinary people become leaders
and build their dreams.**

Life is a **choice**.

Your life today is the result of your attitude and choices of the
past.

**Your life tomorrow will be the result of the choices
you will **make today**.**

You don't need to be ready.
You just need to be willing.

**Years from now, you will remember *today* as
the day...
you chose to change your life.**
