

A SEMINAR WITH PENG MENDOZA

Protect the Dream

The dream you protect determines the
life you build.

**People don't quit because the
business is hard.**

**They quit because their dream
became smaller than their
problems.**

When your dream is clear & emotionally alive...

- ◆ Rejection becomes temporary.
- ◆ Waiting becomes easier.
- ◆ Sacrifices become worthwhile.
- ◆ Discipline becomes natural.

Big dreams are the fuel of big organizations.

A simple question...

"If I deposited

₱100,000,000

**into your account tonight... what
would you **buy first?**"**

NOW, THE HARDER QUESTION...

If I gave you only ₱20,000 today —

would you spend it in a way that brings you
closer to that dream... or **farther away**?

**Most people don't lose their
dreams overnight.**

**They lose them one unnecessary
purchase at a time.**

PART ONE

**Dreams are borrowed
from your future.**

**A dream you truly believe in is
already yours.**

It simply hasn't arrived yet.

God places desires inside people for a reason.

Don't let anyone steal what **already belongs to your future.**

Negative relatives

Broke friends

Failures

Rejection

Social media

Your own doubts

**"Protect your dream like you
protect your child."**

♦ ACTIVITY · CLOSE YOUR EYES

Imagine five years from now...

Where do you
live?

Who are you
helping?

How do your
parents look?

How is your
health?

How much do
you give?

How much
freedom?

Is today's version of you **protecting that
future — or delaying it?**

PART TWO

**Big checks should build
big dreams.**

Don't use your dream money for **temporary happiness.**

TEMPORARY

- ✗ Cellphone
- ✗ Shoes & gadgets
- ✗ Vacations
- ✗ Unnecessary upgrades

LEGACY

- ✓ Land & house
- ✓ Investments
- ✓ Business assets
- ✓ Dream home · parents' house

//

**Small pleasures delay big
dreams.**

Every peso should have a job.

Ask: "Does this purchase move me closer to my dream...
or farther away?"

PART THREE

**Testimonies keep
dreams **alive.****

Every testimony says: **"It is possible."**

First commission

First customer

First product result

First travel

First car

First investment

First house payment

Small victories create **big belief.**

**Don't wait for million-peso
testimonies. Celebrate progress.**

Because excitement multiplies.

PART FOUR

**Stop counting
rejections.**

Professionals count activities. **Amateurs count emotions.**

WRONG SCOREBOARD

✗ "I got rejected."

RIGHT SCOREBOARD

- ✓ How many conversations?
- ✓ How many presentations?
- ✓ How many follow-ups?
- ✓ How many new people today?

Rejection simply means: **wrong person, wrong timing.**

Somewhere, someone is praying for...

Extra income

Better health

Freedom

Another chance

Your job is simply to find them.

//

The person who says **no today may
simply not be the person you're
looking for.**

Keep moving. The right person is also looking for **you**.

PART FIVE

**Don't ignore your
warm market.**

They **prejudge.**

"Ayaw niya."

"Mayaman na siya."

"Busy 'yan."

"Networking, ayaw niyan."

Who told you that — **you, or them?**

You don't know who just...

- ◆ lost a job
- ◆ has medical bills
- ◆ whose marriage is struggling
- ◆ wants another income
- ◆ is secretly praying for change

The saddest thing? Someone else will talk to them first — because you assumed.

//

**Prejudging is one of the most
expensive habits in Lifestyles.**

**Never reject people on their
behalf.**

THE 30-DAY CHALLENGE

For the next 30 days — protect it all.

Your dream

Your money

Your routine

Your excitement

Your conversations

Your warm list

Don't allow one rejection to steal a future that God may already
be preparing for you.

Five things, **every day.**

- 1 Look at your **Dream Board** every morning — 5 minutes.
- 2 **Save a fixed %** of every commission for a major dream — house, investment, business asset.
- 3 **Share one testimony** every day — your own or your team's.
- 4 Hit a daily target of **conversations & presentations** — track activities, not rejections.
- 5 Contact **3 people from your warm list** daily — without prejudging.

//

**People with small dreams quit
when life gets hard.**

**People with protected dreams
become unstoppable.**

Your dream is not waiting for luck. It is waiting for your **daily routine.**

Every conversation, every presentation, every follow-up, every peso you save, and every testimony you share is another step toward a future that is already calling your name.

Protect the Dream
